

PE and Sport premium 2017-2018

What is the Primary PE & Sport Premium?

The government is providing additional funding of £150 million to improve provision of physical education and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school. Each school receives £16000, plus £10 per pupil on roll; currently we have 199 children on role in Year 1-6. At Forest Gate Academy, we will receive £17190 for the year 2017-2018.

How is the Primary PE & Sport Premium spent at Forest Gate Academy?

The Primary PE & Sport Premium action plan ensures that we not only spend, but we invest the additional funding to ensure the long-term impact of our PE and Sports provision. Outcomes are listed for each of the PE and Sport Premium Key Outcome Indicators. The funding is invested in various ways and the impact is closely monitored by gaining feedback from all stakeholders and assessment of children's skills using the OTrack monitoring system.
