

Year 6 Summer

English

Writing

- I can use a wide range of clause structures, sometimes varying their position within the sentence.
- I can use punctuation for parenthesis correctly in most of my writing.
- I can use commas for clarity correctly in most of my writing.
- I can show some correct use of semi-colons.
- I can show some correct use of dashes.
- I can show some correct use of colons.
- I can show some correct use of hyphens.
- I can spell most words correctly (year 5 and 6)

Reading

- I am familiar with a wide range of books, including myths, legends and traditional stories, modern fiction, fiction from our literary heritage and books from other cultures and traditions.
- I can continue to read and discuss an increasing wide range of fiction, poetry, plays, non-fiction and reference books or textbooks.
- I can learn a wider range of poetry by heart.
- I can prepare poems and plays to read aloud and to perform, showing understanding through intonation, tone and volume so that the meaning is made clear to the audience.
- I can read books that are structured in different ways and can read them for a range of purposes.
- I can apply knowledge of root words, prefixes and suffixes to read aloud and to understand the meaning of unfamiliar words.

Speaking and Listening

- I can express possibilities using hypothetical and speculative language.
- I can perform my own compositions, using appropriate intonation, volume and expression so that literal and implied meaning is clear.

Maths

- I can solve problems involving similar shapes where the scale factor is known or can be found.
- I can recognise, describe and build simple 3D shapes, including making nets.
- I can compare and classify geometric shapes based on their properties, sizes, and find unknown angles in any triangle, quadrilateral and regular polygons.
- I can illustrate and name parts of circles, including radius, diameter and circumference and know that the radius is half the diameter.
- I can read, write and convert between standard units, converting measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, and vice versa, using decimal notation to up to 3 decimal places.
- I can calculate the area of a parallelogram and triangles and calculate, estimate and compare volume of cubes and cuboids using standard units.
- I can interpret and construct pie charts and line graphs and use these to solve problems.
- I can solve problems involving the calculation and conversion of units of measure, using decimal notation up to three decimal places where appropriate.
- I can convert between miles and kilometres.
- I can recognise that shapes with the same areas can have different perimeters and vice versa.

Spelling

- I can use dictionaries to check the spelling and meaning of words.
- I can use the first three or four letters of a word to check spelling, meaning or both of these in a dictionary.
